

# Financial Report Year 2021

THE W CHURCH

# Financial Summary

## 2021 Donations

\$642,108

### How were your donations used?

## The W Church Church Ministry & Administrative

When you give to The W Church, you are participating in God's Kingdom work within our local community. Giving allows you to tangibly express God's heart for the broken and lost world around us. Part of your contribution ensures we have the leadership and resources needed to accomplish all that God has set before us. Whether we are hiring a ministry director, planning a community event or Sunday gathering, your giving makes it all possible.

## W Family Care

We were able to assist our W Church family financially, emotionally and relationally when needs arose throughout the year.

## Church Staffing

During most of 2021, we had interim worship leaders using their gifts to lead us in worship. In September, Olivia Garcia was added to our staff as our Worship Director, and has blessed us with her gifts each Sunday and throughout the week.

## First Fruits

The W Church exists to see the hope of Jesus spread throughout the world. With this in mind, we designate 10% of every dollar towards kingdom building efforts beyond our local church.

# Ministry Partners

## Church Partner

### Church of Naples

On April 2nd, 2021, Church of Naples held their first church service on Good Friday in Naples, Long Beach. People are coming from Naples, Belmont Shores, Belmont Heights, Seal Beach and the surrounding communities to worship, share the Gospel, hear God's Word and pray, fellowship, love and connect in the open air every Sunday at Mother's Beach.

## Local Partners

### **Lighthouse Outreach Ministries**

The Lighthouse can house up to 10 men at one time. The goal is to reach them with the gospel providing them a safe environment. This includes daily devotionals, work programs, assistance with court appearances etc. The Lighthouse continues to provide weekly meals to those most in need of food and clothing.

### **Project: Giving Light**

PGL is experiencing tremendous growth. With the help of the W Church and other faithful partners they have been able to reach 8,000 children in 2021 with birthday boxes that include a gospel track. PGL has expanded throughout California and is continuing to grow into other states.

### **Brian Sumner - Evangelist**

God has opened the door for Brian to speak at many marriage seminars and evangelistic outreaches, provide one-on-one counseling, and help fill pulpits on Sundays. He also has his Podcast called Foolishness, which exists to shine a light on the lives of many. The Foolishness podcast has the goal of sharing stories of faith, which are like living letters to be read by all, while aiming to win some to Christ.

### **FUEL Recovery Ministry**

FUEL is reaching thousands across the globe with the Gospel and through teaching people how Jesus heals addiction. There have been hundreds of professions of faith this year alone.

### **Newport Harbor High School**

With the support of The W, the school administration was able to assist some families during the school year with gift cards to meet basic needs.

## Global Partners

### INCA Link International

Out of Inca Link's many ministries, in 2021, we specifically focused on helping their efforts in Honduras. Our friend, Daniel, and his wife Nayeli, have started a school to teach children to read. Their potato farm project recently had its first potato harvest, which is helping them to be self-sustaining and not depend solely on donations. They are also discipling and developing 3 leaders.

### Christ the Center Ministries

With our support, Christ the Centered Ministries was able to provide a feeding program for all of the families of sponsored children over the past two years. CTCM met the government standards to provide rolling classroom instruction for cohorts of children. 2021 was the last official year of our partnership with CTCM as we look for other partners that the Lord puts on our hearts. We have been so blessed not only to be able to sponsor children at CTCM, but also to see firsthand how God is using them during our 2019 missions trip.

# More Good News

- Our financial team has approved for us to hire a full-time Student Director to lead and guide our students into adulthood! Thanks to those again who gave to our Christmas Offering! Please join us in prayer as we start looking for our new director.
- We are all aware of how gifted Olivia is as our Worship Director. You may not know that she is also our Communications Director! We are so excited to see her thrive in both of her roles at The W.
- Our Easter service last April was our best yet. We had a timely message on Joy which was felt by all as we celebrated twenty-six baptisms and the resurrection of our Lord Jesus Christ.

# Thank You!

Covid is still a word that we hear many times a day and our world is ever-changing. We thank you for your generosity during the uncertainty in 2021.

Many things have changed, but we are still gathering as a church family and reaching people with the Gospel. Even through this last year, our family continues to grow. We are so blessed as a community, a church family, and as children of God.

We are thankful for God's Word and the ability to live it out as we love those around us. We know that God is sovereign and in charge which makes following Him a great relief during another crazy year.

We are beyond blessed and excited to see how the W Church is used by God in 2022.
