

# Long Expected King

the book of matthew

**WEEK 7 | JAN 29 - FEB 2**  
**MATTHEW 4.12-25**

1. Share/Challenge one another to repeat 1 Corinthians 10:13 from last week's charge to begin memorizing scripture!
2. The word, 'repent' means 'to change one's mind, or reconsider'. Talk about why the kingdom of heaven, and the goodness of God lead us to repentance.
3. Notice the way Jesus meets Simon and Andrew, as well as James and John, right where they are. When Jesus calls them to follow him, and they say 'yes', everything else in their lives (jobs, families, etc...) get re-prioritized, and following Jesus becomes their primary concern.

As a Christian, Talk about a time when Jesus became less of a priority in your life. What contributed to this at that time? How could it have been prevented?

Let this time of sharing what Jesus has done, be an encouragement to each of your hearts, and if you don't have any of these stories personally, be encouraged in knowing that your salvation is the most miraculous thing that could ever happen in your life!
